Attention Mr. M. J. Veneroso, Dept. CI-725(52-11)
Materials Handling & Packaging Engineering

Gentlemen:

Please refer to your letter of May 11, 1979 (CI-725-62), requesting information regarding Aeroshell Turbine Oil 500, Shell Product Code 60250.

We have attached a Material Safety Data Sheet per your request. As shown, this product has a 465°F flash point, Pensky-Martin Closed Cup. This product does not require a DOT Proper Shipping Name, DOT Hazard Classification, or IATA Article Number.

Very truly yours,

C. R. White
